

FRONTIER AIRLINES

B737-2C0

Although it carries the lowest registration number (N7370F) of Frontier's initial batch of B737's, this aircraft (C/N 20073) was actually the eighth delivered to the airline. Built for Frontier but delivered to GATX/Boothe it was then leased to Aloha Airlines as N573GB, eventually joining the Frontier Fleet in December 1969.
